IT IS TRULY WONDERFUL
To see what improvement now exists as compared with railway travel only a few years ago. To become convinced of this, one has only to select for his route East, the popular and well known

CHICAGO & NORTHWESTERN R.R.
You are landed by the Union Pacific Railroad in the Union Depot at Council Bluffs, where stands the C. & N. W. Palace Train, composed of Pullman Hotel Cars, Pullman Sleeping Cars, Elegant Day Coaches, Smoking, Baggage, Postal Cars, etc., ready to convey its passengers through Iowa and Illinois, and into Chicago. Gliding smoothly along over the superb track of steel rail through thriving cities and villages, comfortably seated in this train, one scarcely discovers the high rate of speed which he is riding. Trains of this road are always on time, connections sure, and passengers seeking pleasure, comfort, safety and easy traveling, will find the "North-Western" in excess of their expectations, and the greatest of all routes to Chicago and the East. Insist upon Ticket Agents selling you Tickets via this Road; all agents sell them. Examine your Tickets and refuse to buy if they do not read over this Road. If you wish the Best Traveling Accommodations, you will buy your Tickets by this Route, AND WILL TAKE NO OTHER.

SEEK

health and avoid sickness. Instead of feeling tired and worn out, instead of aches and pains, wouldn't you rather feel fresh and strong?

You can continue feeling miserable and good for nothing, and no one but yourself can find fault, but if you are tired of that kind of life, you can change it if you choose.

How? By getting one bottle of BROWN'S IRON BITTERS, and taking it regularly according to directions.

Mansfield, Ohio, Nov. 26, 1881.

Gentlemen:—I have suffered with pain in my side and back, and great nervousness on my part, with shooting pains all through my body, attended with great weakness, depression of spirits, and loss of appetite. I have taken several different medicines, and was treated by prominent physicians for my liver, kidneys, and spleen, but I got no relief. I thought I would try BROWN'S IRON BITTERS; I have now taken one bottle and a half and am about well—pain in side and back all gone—nervousness all out of my system, and I have a good appetite, and am gaining in strength and flesh. It can justly be called the king of medicines.

JOHN K. ALLEN.

BROWN'S IRON BITTERS is composed of Iron in soluble form; Cinchona the great tonic, together with other standard remedies, making a remarkable non-alcoholic tonic, which will cure Dyspepsia, Indigestion, Malaria, Weakness, and relieve all Lung and Kidney diseases.

TELEGRAPHIC NEWS

China Retaliates.

Washington, 16.—Following is an abstract of a letter received on Saturday by a gentleman connected with the state department, from an attaché of the Chinese legation here, under the administration of Chin Lan Sin: It is thought to be particularly significant in connection with the recent vigorous protest of the American minister at the court of the Emperor of China, touching violation by Chinese of the rights of American merchants and shipping at Shanghai: "It is rumored here that the legation of China in the United States will shortly be ordered home in consequence of the passage of the recent Chinese bill, and that in place of a minister you are to have simply a consul. I was very anxious to visit the United States again, but the coming attitude of my country will not permit me to do so. The passage of that bill has produced a very unfavorable impression here, and the outlook for the shipping interests of the United States is anything but satisfactory. I trust that a better understanding of the mutual interests of both countries may soon be reached." The letter from which the foregoing is an abstract is written from Hong Kong, under date of the 5th of September last. Its author's position in the diplomatic service of China is such as to enable him to be intelligently informed upon the subject of which he writes.

Resolutions of Respect

New York, 18.—The following resolutions were unanimously passed by the full meeting of the Associated Press, held on Wednesday, 15th instant.
Resolved, That members of the Associated Press hereby express their deep regret at the sudden death of James W. Simonton, for a long course of years general agent of the Associated Press of the country, and their sincere sympathy with members of his family, and that we share with them, their great bereavement, in the loss of a husband, father and closest and dearest of friends. Recalling the time of Mr. Simonton's separation from the service of this association within the year past, and his connection with it for fifteen years, we desire to renew at the present the warm expression of approval recorded in the journal of this body, of his devotion to the interests of all its members, and his fidelity in the discharge of all its trying and arduous duties.

Resolved, That members of this association will attend the funeral services of the deceased on Sunday next, and that a copy of these resolutions be forwarded to the family of Mr. Simonton, and recorded upon the journal of the association.

Senator Grover Speaks.

Chicago, 20.—Tribune's Omaha special: Senator Grover, of Oregon, who passed through this city on Friday, en route for Washington, told a reporter that the democrats on the Pacific Coast are gratified over the success of their party in the east, and being able to supplement it with a democratic majority in California. While the wave was too late to reach Oregon, the democrats there were not discouraged. Politicians in California and Oregon already speak of nominating Governor-elect Cleveland, of New York, for President in 1884 if he should develop, in his new field, administrative qualities like those which characterized his administration of the city of Buffalo, which qualities constitute the present need of the people. In the event of Cleveland's nomination, Governor Stoneman, of California, will be the favorite for Vice-President. Justice Field, however, has many friends as a candidate for the presidency.

Defying the Sunday Law.

Cincinnati, 19.—All theatres were opened with full companies in regular variety or dramatic performances, tonight, for the first time since the Smith Sunday law went into effect. No arrests were made.

New Haven, 20.—The Sacred Concert Singers, Manager Peak, of the Opera House, and the manager and agent of the company, were tried to-day for a violation of statute 1784, which provides that "every person who shall be present at any concert of music, dancing or other public diversion on Sunday or on the evening thereof, shall be fined \$4. The managers and agent were each fined \$20 and costs. Case appealed.

Sold His Say.

Toledo, Ohio, 12.—Ex-Friend O'Connor, who was interfered with by a mob here last Sunday night, delivered his lecture at the opera house this evening to about 800 people, on "Why I Left the Catholic Church." In anticipation of further trouble, forty officers were at and in the hall, and five companies of military were at their armories awaiting further orders. Public sentiment, however, was so strong in favor of protecting him in the right to speak, that there was little trouble in preserving order, and aside from a few slight interruptions, no trouble occurred. Two or three men who interrupted the speaker were promptly arrested.

Chalmers's Defeat.

Washington, 20.—Van E. Manning, to whom certificates of election to Congress from the Second district of Mississippi had been given, is in Washington. He states that B. Chalmers is a resident of Tate County and greenback politician and that the votes cast for him defeated General Chalmers. Manning is quite free in expressing the belief that Democrats will pursue a fresh policy and make no unfair decisions in election contests.

Modest and Economical.

Philadelphia, 19.—In a letter to the state fencibles, the battalion which tendered their services as an escort of the inauguration of Governor-elect Pattison, the gentleman says: "There is no reason I can see why the mere taking of the oath, by a citizen called by the people to execute a public trust should be made the occasion for scenes of pagentry and demonstration. I am determined that so far as I can control the matter my inauguration as governor shall not cost the people of Pennsylvania a dollar."

Explosion.

Guayaquil, 20.—A fearful explosion occurred, to-day, at the powder magazine half a mile north of the town. It is rumored that about ten persons were killed, a church and several houses were nearly destroyed.

Cable Clicks.

Paris, 20.—Several legitimists in the department of Vendee received threatening letters from anarchists. A dynamite bomb has been thrown into the house of a legitimist.

Berlin, 20.—Great importance is attached to the visit of Degiers, Russian foreign minister, to Bismarck. It is considered a fresh proof of Russia making advances.

The police interdicted the sale of a pamphlet purporting to be a contribution on the labor question, in the shape of two speeches delivered in the Reichstag.

Seventeen persons are arrested here on suspicion of being nihilists.

Paris, 15.—Two more persons accused of being anarchists, were arrested at Lyons, yesterday. Two men were arrested at Etienne on a similar charge.

Vienna, 20.—General Ignatieff denies that his recent visit to Paris had any political object.

St. Petersburg, 20.—The students of the University of Kasean, in consequence of the severity of the police regulations, created disorders and the university has been closed.

London, 20.—The Duke of Edinburgh will be appointed colonel-in-chief of the Royal Marines.

The Queen, to-morrow, will decorate the officers and soldiers who distinguished themselves in the war in Egypt.

A long affidavit by Ninet, formerly Arabi Pasha's adviser, is published. It is strongly in favor of Arabi who, Ninet declares, endeavored to prevent incendiarism and protected Christians.

A man named Sanders, arraigned for sending a letter to Gladstone threatening to kill him, was remanded after disclaiming the intention to murder the prime minister. When searched a knife was found upon him. He is merely a crank.

The miners association of Scotland has been dissolved.

Constantinople, 20.—The Porte intends to address a circular to the Powers, calling attention to Montenegrin armaments and the steps the Porte has taken with a view to settling the last disputed points in connection with the limitation of the frontier.
